Trash-a-Thon 2025

October 15, 2025, found over 200 students, staff, sponsors, parents, and members of Fairview Mennonite Church scurrying over much of the City of Reading picking up trash.

When we gathered at Pendora Park a few hours later, we had accumulated about 900 man hours picking up trash. We enjoyed a Pizza Party celebration there with the Mayor's assistant.

The City of Reading Public Works Department helped to gather up all the trash. We filled up numerous large dumpsters and trash trucks.

This event allows us to reach out into the community and make a positive impact on a city that has a lot of negatives attached to it. We have been privileged to inspire many residents and businesses to take more interest in keeping the areas they occupy clean.

Thanks so much for your assistance in helping us meet our goal of \$100,000 to cover many of our school's expenses.

We are already looking forward to the Trash-a-Thon on October 14, 2026!
