

Welcome!

We are so glad you are here at our 18th annual volleyball tournament! We are looking forward to great volleyball, food, and fellowship.

We will be playing a double elimination tournament. The first round and winner's bracket matches will be the best of 3 games with the first 2 games being played to 25. The loser's bracket matches will be the best of 3 games with the first 2 games being played to 25 with a beginning score of 4 each. If necessary, in both the winner's bracket matches and loser's bracket matches, the third game will be played to 15. The scores will be capped at 27 for games to 25, and 17 for games to 15. The championship match will be played the same as the first-round matches.

Warm-ups will be 5 minutes per team for the first time you play each day. After the first match, warm-ups will only be 3 minutes per team. During your warm-up time, you can serve and hit.

AWARDS CEREMONY: The awards ceremony will be held immediately following the championship game. The following awards will be given. First Place, Second Place, Third Place, 6 First Team All-Stars, 6 Second Team All-Stars, MVP Award, Setter's Award, and Defensive Player Award.
