Weather Delays and Cancellations

You can find out if there is a weather-related delay, early dismissal, or cancellation, by going to wfmz.com and clicking on the school closings link. We will also send out a WhatsApp message around 6:00am.

Re-Enrollment

The time to re-enroll current students at FCS is almost here. Re-enrollment forms will be sent home at the end of January. We will need the forms returned as soon as possible. You will need to be current with your tuition payments to re-enroll.

If you wish to enroll a kindergarten student for the 2026-2027 school year, please let the office know so we can give you an application.

If you already know your child is not coming back next year, please let the office know as soon as possible. That will help us get an early start planning for next year.

Sky Zone Gr. K-6

A big thank you to the students and parents for your hard work raising funds for our annual Trash-a-Thon fundraiser. The goal was reached, therefore all students in Kindergarten – 6th grade will be going to Sky Zone on Wednesday, January 28. There is no cost for the students.

Parents need to sign a waiver for each of their students. You need to do this again, even if you did it last year. Please do this ASAP. Thank you!
